About Metricell11

Version	Date	Revision Author	Summary of Changes
[1.0]	23/09/2026	TEST2 QA Automation	Generated from TEST2 evidence review

Tester:	Automated
Jira Ticket:	TEST2-27
Environment:	Chrome
Browser Details:	Chrome version not recorded
Date of Test:	23/09/2026
Limitations during Testing:	None recorded

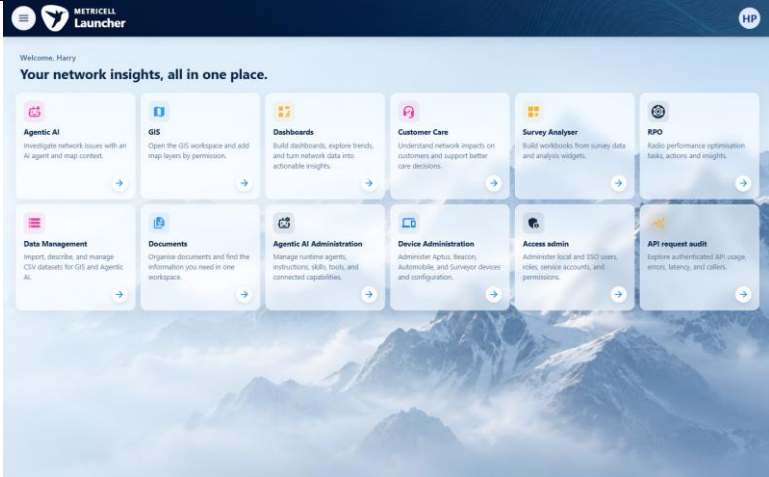

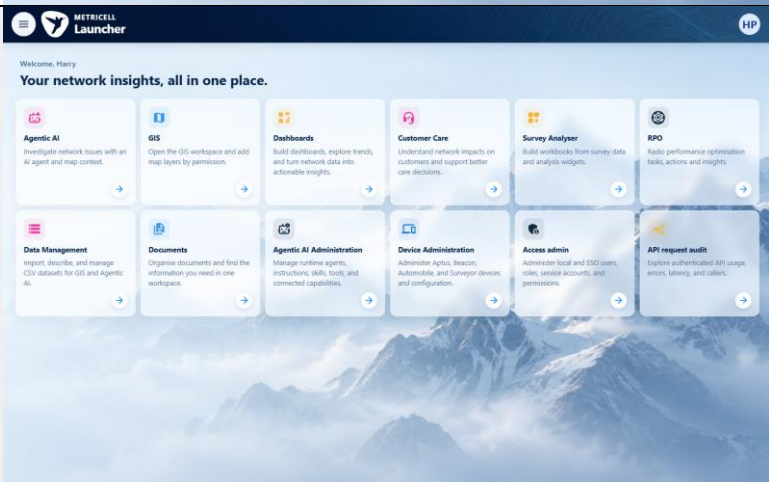

Area of test	Pass	Fail	Defects (No.)
1. The V4 launcher displays the Agentic AI module card and its Open control.	Y	N	0
2. Selecting Open on Agentic AI displays the Agentic AI module page at /agentic-ai without a load error.	N	Y	1
3. Using the browser Back control returns to /launcher, where the module cards are visible and usable.	Y	N	0

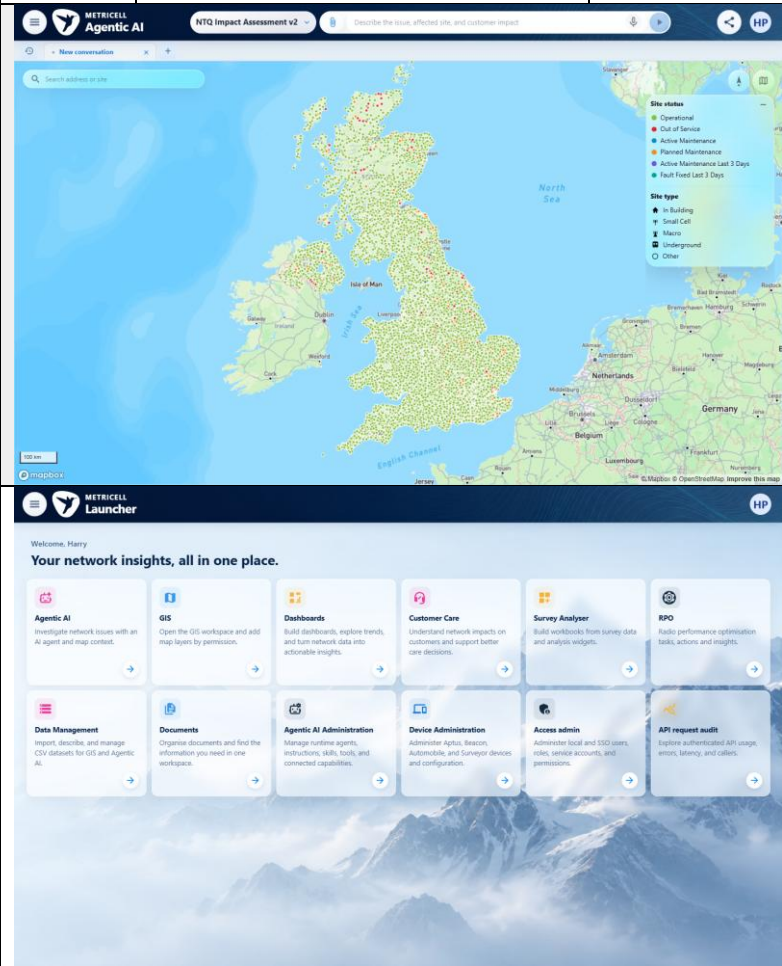

All automated tests must map to an approved criterion and produce reproducible results plus decisive evidence. Use Failed, Blocked, or Unverified where applicable.

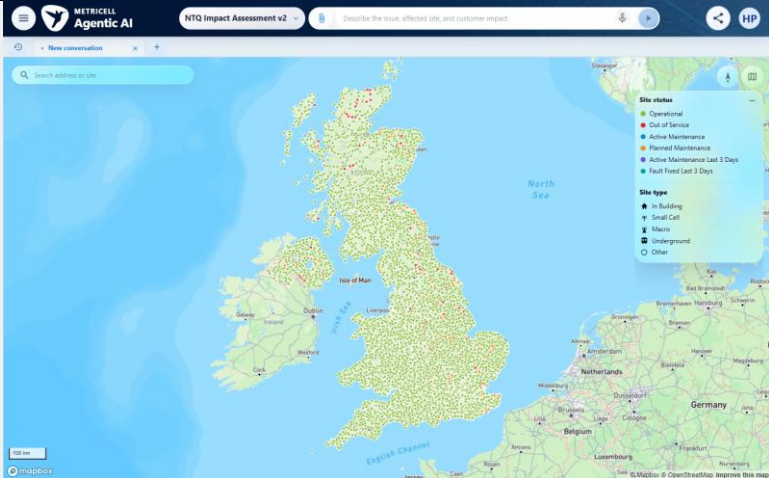

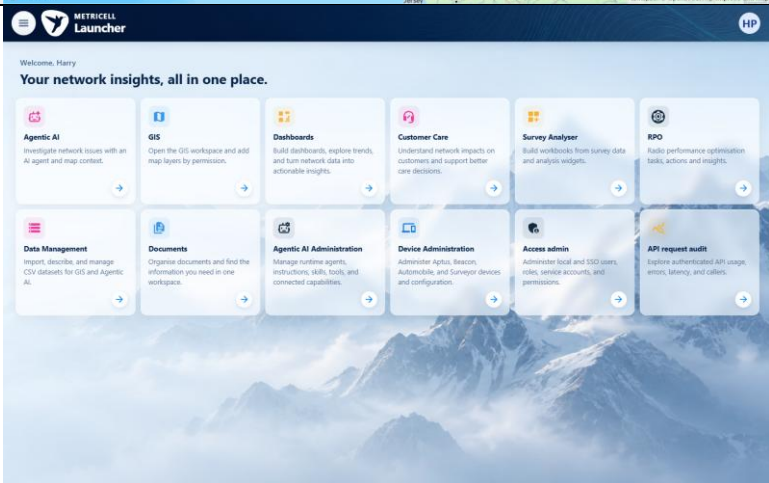

4.1 Tests

Preconditions:	Not recorded in agent output.	Associated Requirements:	Criteria from criteria.md.	Automation Notes:	Automated browser run; PNG evidence reviewed.
-----------------------	-------------------------------	---------------------------------	----------------------------	--------------------------	---

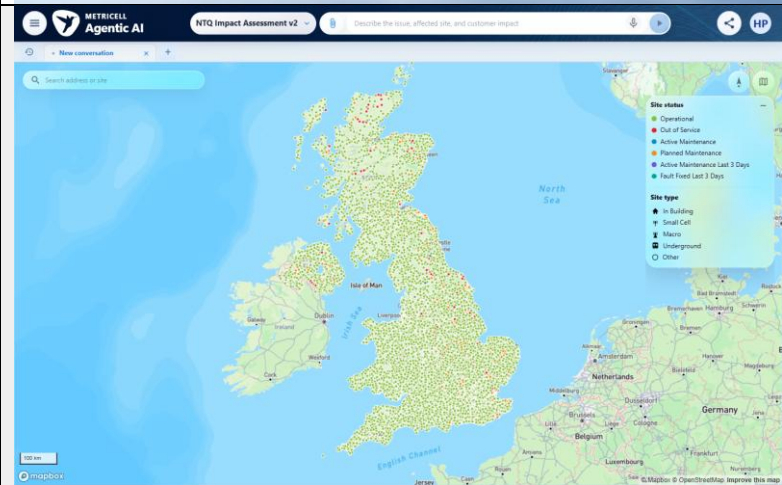

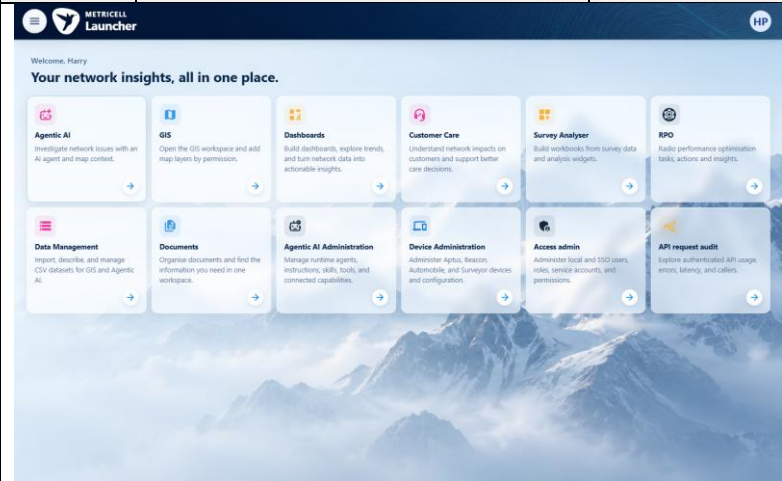

ID / Criterion	Criteria Tested	Expected Result	Actual Result / Evidence Path	Outcome
1.0.0	The V4 launcher displays the Agentic AI module card and its Open control.	The V4 launcher displays the Agentic AI module card and its Open control.	The attempt-001 screenshots directly show the V4 Launcher with the Agentic AI module card and its enabled arrow Open control; the browser-derived URL is the expected V4 /launcher URL. Steps taken: Navigated to the V4 launcher.; Confirmed the Agentic AI card and enabled Open control were visible.	Passed

				
				
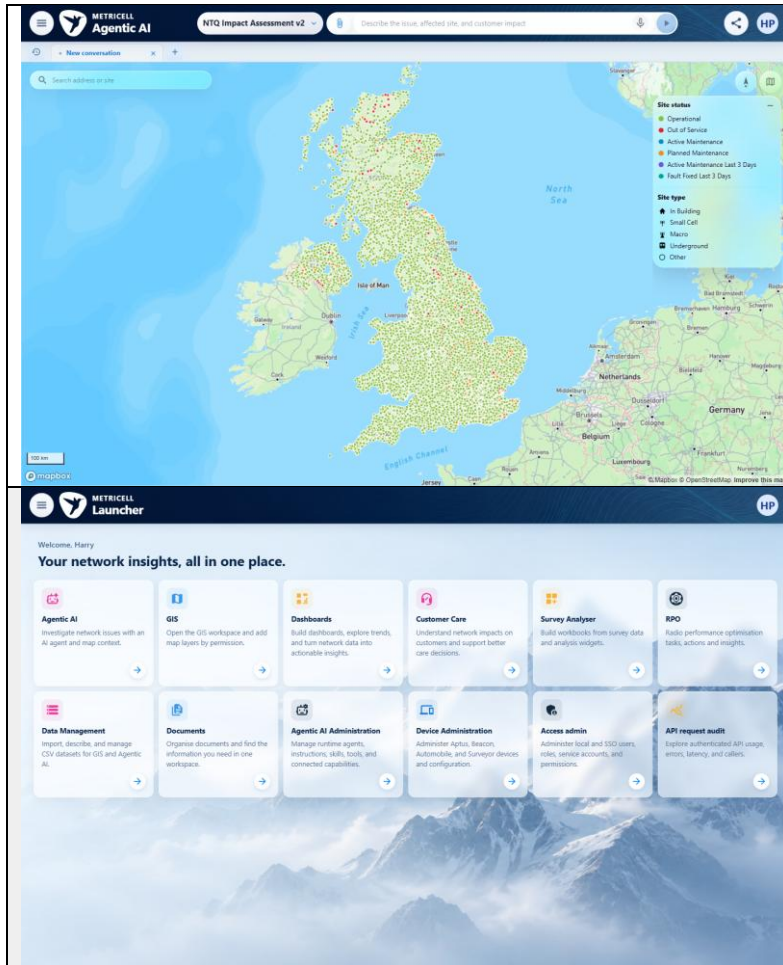

2.0.0	Selecting Open on Agentic AI displays the Agentic AI module page at /agentic-ai without a load error.	Selecting Open on Agentic AI displays the Agentic AI module page at /agentic-ai without a load error.	The attempt-001 screenshots directly show the Agentic AI module page loaded without a visible load error, but the corresponding browser-derived browserUrl is https://o2intelligence-v4-dev.metricell.com/launcher rather than the required /agentic-ai current URL. Steps taken: Returned to the launcher and captured its initial state.; Selected Open on the Agentic AI card.;	Failed

			Confirmed the URL ended in /agentic-ai, the Agentic AI workspace loaded, and the browser reported zero console errors.	
				

				
				
3.0.0	Using the browser Back control returns to /launcher, where the module cards are visible and usable.	Using the browser Back control returns to /launcher, where the module cards are visible and usable.	The attempt-001 before-back and after-back evidence directly shows the Agentic AI module followed by the restored V4 Launcher with module cards and enabled controls, and the browser-derived URL matches the expected V4 /launcher URL. Steps taken: Returned to the launcher and captured its initial state.; Opened Agentic AI and confirmed the module	Passed

			page loaded.; Used browser Back.; Confirmed /launcher appeared with the module cards and enabled Agentic AI Open control.

About Metricell

Metricell is on a mission to deliver connectivity. We work with our customers to design, deliver and manage wireless communication networks – with a shared ambition of achieving flawless network experience. We've been responsible for many first-to-market products, and our technology is characterised by the relentless pursuit of automation and digitalisation.

Our geospatial intelligence tools traverse a wide variety of business processes – from Test & Measurement to Customer Experience Management – and we're pioneers in Crowdsourcing and Digital Self Care. Our technology is today in use by a range of customers; thousands of their personnel; and millions of subscribers worldwide.
