About Metricell12

Version	Date	Revision Author	Summary of Changes
[1.0]	30/09/2026	TEST2 QA Automation	Generated from TEST2 evidence review

Tester:	Automated
Jira Ticket:	TEST2-44
Environment:	Chrome
Browser Details:	Chrome version not recorded
Date of Test:	30/09/2026
Limitations during Testing:	None recorded

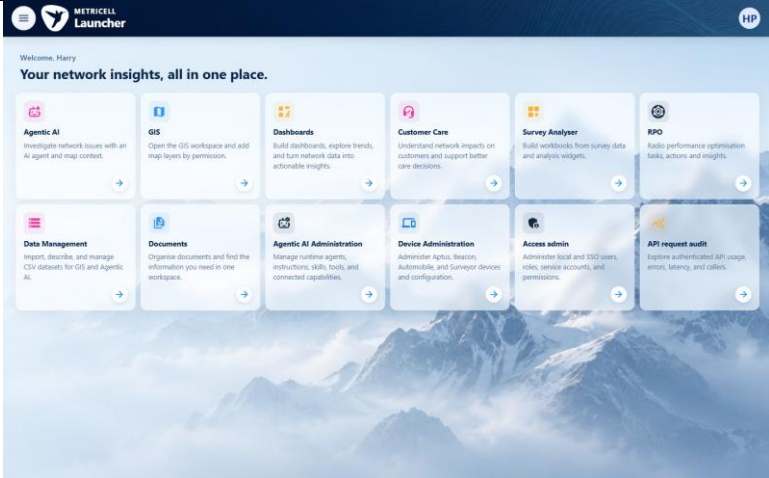

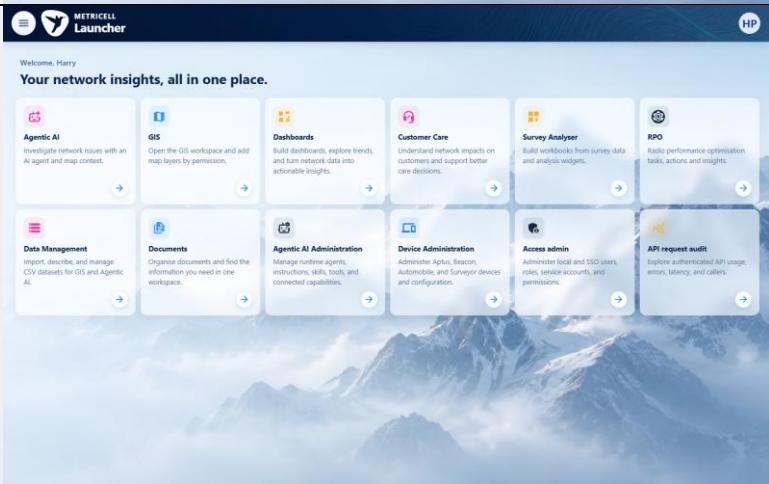

Area of test	Pass	Fail	Defects (No.)
1. When the signed-in browser is opened at the V4 launcher, the Dashboards module card is visible and provides an Open module control.	Y	N	0
2. When the tester selects Open module on the Dashboards card, the browser opens the Dashboards page and displays the Under construction placeholder.	Y	N	0
3. When the tester uses the browser Back control from the Dashboards page, the V4 launcher is shown again with the Dashboards module card visible.	Y	N	0

All automated tests must map to an approved criterion and produce reproducible results plus decisive evidence. Use Failed, Blocked, or Unverified where applicable.

4.1 Tests

Preconditions:	Not recorded in agent output.	Associated Requirements:	Criteria from criteria.md.	Automation Notes:	Automated browser run; PNG evidence reviewed.
-----------------------	-------------------------------	---------------------------------	----------------------------	--------------------------	---

ID / Criterion	Criteria Tested	Expected Result	Actual Result / Evidence Path	Outcome
1.0.0	When the signed-in browser is opened at the V4 launcher, the Dashboards module card is visible and provides an Open module control.	When the signed-in browser is opened at the V4 launcher, the Dashboards module card is visible and provides an Open module control.	The initial and final screenshots show the signed-in launcher, Dashboards card, and Open control; the result's browserUrl is the expected V4 launcher host. Steps taken: Opened the V4 launcher URL.; Confirmed the signed-in welcome and Dashboards card with its Open Dashboards control.	Passed

				
				
2.0.0	When the tester selects Open module on the Dashboards card, the browser opens the Dashboards page and displays the Under construction placeholder.	When the tester selects Open module on the Dashboards card, the browser opens the Dashboards page and displays the Under construction placeholder.	The after-open and final screenshots show the Dashboards page and Under construction placeholder; the result's browserUrl is on the expected V4 host at /dashboards. Steps taken: Returned to the launcher and confirmed the Dashboards card.; Selected Open Dashboards.; Confirmed the Dashboards page shows the Under construction placeholder.	Passed

				
3.0.0	When the tester uses the browser Back control from the Dashboards page, the V4 launcher is shown again with the Dashboards module card visible.	When the tester uses the browser Back control from the Dashboards page, the V4 launcher is shown again with the Dashboards module card visible.	The before-back screenshot shows Dashboards; after-back and final screenshots show the launcher with the Dashboards card. The result's browserUrl is the expected V4 launcher host. Steps taken: Started from the launcher.; Opened Dashboards and confirmed its page.; Used the browser Back control.; Confirmed the launcher and Dashboards card are visible again.	Passed

About Metricell

Metricell is on a mission to deliver connectivity. We work with our customers to design, deliver and manage wireless communication networks – with a shared ambition of achieving flawless network experience. We've been responsible for many first-to-market products, and our technology is characterised by the relentless pursuit of automation and digitalisation.

Our geospatial intelligence tools traverse a wide variety of business processes – from Test & Measurement to Customer Experience Management – and we're pioneers in Crowdsourcing and Digital Self Care. Our technology is today in use by a range of customers; thousands of their personnel; and millions of subscribers worldwide.
