4.1 Tests

Preconditions:	Not recorded in agent output.	Associated Requirements:	Criteria from criteria.md.	Automation Notes:	Automated browser run; PNG evidence reviewed.
----------------	-------------------------------	--------------------------	----------------------------	-------------------	---

ID / Criterion	Criteria Tested	Expected Result	Actual Result / Evidence Path	Outcome
1.0.0	GIS screen can be opened from launcher	GIS screen can be opened from launcher	Direct screenshot evidence in attempt-006 shows the Metricell Launcher with the GIS module, the pre-action launcher state, and the resulting GIS workspace at /gis with a visible map and layer controls. Steps taken: Navigated to the V4 launcher.; Captured and verified the launcher initial state.; Selected GIS and captured the pre-action state.; Verified the GIS workspace opened at /gis with visible map and layer controls.; Captured and verified the final GIS state.	Passed
				

About Metricell

Metricell is on a mission to deliver connectivity. We work with our customers to design, deliver and manage wireless communication networks – with a shared ambition of achieving flawless network experience. We've been responsible for many first-to-market products, and our technology is characterised by the relentless pursuit of automation and digitalisation.

Our geospatial intelligence tools traverse a wide variety of business processes – from Test & Measurement to Customer Experience Management – and we're pioneers in Crowdsourcing and Digital Self Care. Our technology is today in use by a range of customers; thousands of their personnel; and millions of subscribers worldwide.
